RULES SEMINAR

WEDNESDAY 16TH NOVEMBER 2011

ASSEMBLE AT THE CLUBHOUSE
6.30 pm FOR A PROMPT START AT 7.00 pm

The first Rules Seminar has been arranged for the above date and time. The meeting will be presented by Alan Glaze who many of you will know is our resident Rules expert.

If you indicated your interest in Rules Seminars on the earlier notice, please make every effort to attend this initial meeting. Your knowledge of the rules will be greatly enhanced as a result of the seminar and this should help to increase your enjoyment in playing the game.

The meeting will begin with a light hearted self testing session conducted in groups of 3 or 4 in which you will be asked to select the correct answer to a number of possible situations which can arise on the course. This will be followed by a discussion, which will clarify the correct answers and enlarge on related issues.

It will help to ascertain likely numbers if you can indicate your intention to attend on one of the notices for this event posted on all the notice boards at the Club House, but everyone will be welcome even if you do not add your name to the list.
