Well folks, judge for yourself how successful that was, good to see half of you have been reading the rule book!!! The correct answer is:

Thats OK, you are allowed to have me do that.

**Rule 17 – 1**

Before making a stroke from ‘*anywhere on the course*’, the player may have the flagstick attended, removed or held up to indicate the position of the hole.

If it is not attended, removed or held up, before the stroke has been made, must not be touched while the ball is in motion if doing so might influence the movement of the ball.
